## **Anti-Bullying Policy**

**May 2014**

1. In accordance with the requirements of the Education (Welfare) Act 2000 and the code of behaviour guidelines issued by the NEWB, the Board of Management of **BALLYHAUNIS COMMUNITY SCHOOL** has **adopted the following anti-bullying policy** within the framework of the school's overall code of behaviour. This policy fully complies with the requirements of the Anti-Bullying Procedures for Primary and Post-Primary Schools which were published in September 2013.

2. The Board of Management recognises the very serious nature of bullying and the negative impact that it can have on the lives of pupils and is therefore fully committed to the following **key principles of best practice** in preventing and tackling bullying behaviour:

**(a) Promotes a positive school culture and climate which**

- is welcoming of difference and diversity and is based on inclusivity;
- encourages pupils to disclose and discuss incidents of bullying behaviour in a non-threatening environment; and
- promotes respectful relationships across the school community;

*See Appendix 1: Key elements of a positive school culture and climate*

*and Appendix 2: Practical tips for building a school culture and climate*

**(b) Effective leadership**

**(c) A school-wide approach**

**(d) A shared understanding of what bullying is and its impact**

**(e) Implementation of education and prevention strategies (including awareness raising measures) that-**

- build empathy, respect and resilience in pupils; and
- explicitly address the issues of cyber-bullying and identity-based bullying including in particular, homophobic and transphobic bullying;

**(f) Effective supervision and monitoring of pupils**

**(g) Supports for staff**

**(h) Consistent recording, investigation and follow up of bullying behaviour (including use of established intervention strategies); and**

**(i) On-going evaluation of the effectiveness of the anti-bullying policy.**

3. In accordance with the *Anti-Bullying Procedures for Primary and Post-Primary Schools* bullying is defined as follows:

**Bullying is unwanted negative behaviour, verbal, psychological or physical, conducted by an individual or group against another person (or persons) and which is repeated over time.**

The following types of bullying behaviour are included in the definition of bullying:

- deliberate exclusion, malicious gossip and other forms of relational bullying,
- cyber-bullying and
- identity-based bullying such as homophobic bullying, racist bullying, bullying based on a person's membership of the Traveller community and bullying of those with disabilities or special educational needs.

Isolated or once-off incidents of intentional negative behaviour, including a once-off offensive or hurtful text message or other private messaging, do not fall within the definition of bullying and should be dealt with, as appropriate, in accordance with the school's code of behaviour.

**However, in the context of this policy, placing a once-off offensive or hurtful public message, image or statement on a social network site or other public forum where that message, image or statement can be viewed and/or repeated by other people will be regarded as bullying behaviour.**

Negative behaviour that does not meet this definition of bullying will be dealt with in accordance with the school's code of behaviour.

***See Appendix 3 for additional information on different types of bullying***

4. The relevant teacher(s) for investigating and dealing with bullying is (are) as follows:

**YEARHEADS / CO-ORDINATORS - for each relevant year group.**

The primary aim for Yearhead/Co-ordinator in investigating and dealing with bullying is to resolve any issues and to restore, as far as is practicable, the relationships of the parties involved (rather than to apportion blame);

In investigating and dealing with bullying, the Yearhead/Co-ordinator will exercise his/her professional judgement to determine whether bullying has occurred and how best the situation might be resolved;

When analysing incidents of bullying behaviour, the Yearhead/Co-ordinator will seek answers to questions of what, where, when, who and why. This will be carried out in a calm manner, setting an example in dealing effectively with a conflict in a non-aggressive manner.

Extreme care and sensitivity will, at all times, be exercised when investigating bullying incidents.

5. The education and prevention strategies (including strategies specifically aimed at cyber-bullying, homophobic and transphobic bullying) that will be used by the school are as follows:
