Transition Year

Department of Education Definition

- **TY is a one year school based programme between Junior and Leaving Cycle.**
- **It is designed to act as a bridge between the two by facilitating the smooth transition from the more dependent learning of the Junior Cycle to the more independent self directed learning required for the Senior Cycle.**

Transition Year Programme

- **Opportunity for students to mature and experience different types of learning – group work/project work/IT based work/independent learning etc.**
- **Break from the pressures of *formal education* & State Examinations.**
- **Core subjects retained – homework/Research Projects - Regular Assessment & feedback (P/T meetings, semester exams, exam reports & Project Work).**

It is NOT a doss year!!

Transition Year Programme

- TY students are statistically proven to achieve higher LC points.
- On average 20% higher results achieved from ex-TY students.
- Remember:

**You get out, what YOU put
in!**

- Transition Year is broken into 3 semesters where each students gets to experience three different timetables.
